Custom Design

There is no job too big or too small for PW Platforms. We have manufactured custom designed products for decades. Give us a call to discuss your problem. We normally provide quotations to our customers within 24 hours. Below is only a few photos we could gather of our custom designed products.

Call to Discuss Your Custom Solution

Standard Information

Origin

All products ship from our plant in Houston, TX 77051

Prices

There are no prices shown in this catalog. Please consult your separate Dealer Price List.

Terms

Terms of payments are net 30 days from date of invoice with approved credit.

Any orders with open invoices over 60 days old will be placed on hold until past due invoices are paid.

A charge of 12% per month will be applied to all invoices past due. This will be calculated from the 31st day.

Shipping

All products ship from our plant in Houston, TX 77051. Shipping is a separate cost from catalog prices.

Some larger products require a Crating Charge for added protection. See *page 4*.

Freight Damage

It's the customer's responsibility to file all damaged freight claims. Before accepting goods from the shipping company, check the items and make note of any damages or shortage of items. Have the shipper state this in writing on the freight bill. If damage or shortage of items is found after goods have been accepted, this is called "Concealed Damage". You must notify the shipper immediately.

Return Policy

All items marked "Special" are considered Non-Returnable and Non-Refundable items.

Items must be in new condition and accepted in writing by PW Platforms with an RGA#.

Minimum 20% restocking fee will be made and return freight will not be paid by PW Platforms.

Ordering Information

Minimum order value of \$25 or more.

About Us

USA Made with Texas Pride!

Family owned and operated for over 50 years

- All-American materials
- Expedited production
- Custom fabrication

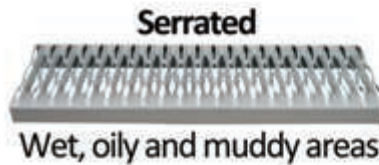

Buyers Guide

Materials - Steel or Aluminum. Call for Stainless Steel or Galvanized.

Finish - Gray enamel finish is standard. Yellow enamel is available. Call for special paint colors.

Treads - Our products come in the following tread designs.

Locking Types

Casters retract with weight on the first step.
Pull the handle to release lock.

Spring compresses with weight on first step
Legs retract with relief of weight.

Ladder and Platform Measurements

A - Step Height or Platform Height

B - Step/Platform width

C - Platform depth

D - Overall depth

E - Overall width

*Overall height is A + handrail height

OSHA[®]

ANSI
American National Standards Institute

All products meet or exceed
OSHA & ANSI Requirements
unless otherwise stated as a
“special needs” item.

Shipping Guide

All of our products ship using the industry standards for ladders and work platforms. After a thorough Quality Check is performed on each product, they are either palletized or crated. Shrink wrapping and padding adds an extra layer of protection. Below are some examples:

Rolling Ladder - Knock Down

Crossover - Knock Down

Rolling Ladder
All-Welded

Crossover - All-Welded

Double Entry - Knock Down

Office Step Ladder
UPS / Fedex

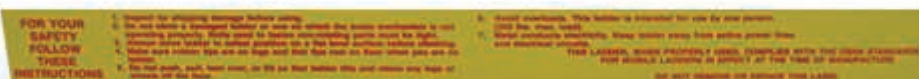

Work Platform - All-Welded

Roll-A-Fold

For ladders and stairways over 16-steps high, a **Protective Crate** is necessary. Crating charges are applied.

All of our products ship with a Yellow Safety & Use Label and a Red PW Platforms Label with serial #.

Long yellow sticker placed on lip of step. OSHA compliance noted

Rolling Safety Ladder

Standard Features

- 57 or 50 degree slope
- 30", 24", or 18" wide steps
- 5 steps and higher are "Lock-Safe"
- 4 steps and shorter are "Spring-Loaded"
- Rubber tips at stabilizing legs
- 14" deep top platform
- 300 lbs load rating
- 1" square steel construction
- 30" handrails if equipped
- Gray industrial enamel finish

Optional Items Available

- 500 lbs load rating HEAVY DUTY
- Deeper top platform
- Larger casters or Easy-Turn
- Top walk-off access
- California OSHA compliant

Mobile Work Platform

Standard Features

- 57 degree industrial slope
- 24" or 30" wide steps
- Tilt & Roll design on 5" rigid casters
- Non-marring rubber tips at stabilizing legs
- Several platform depths (see table)
- 500 lbs load rating
- 1" square steel construction
- 30" handrails if equipped (R shown in item #)
- Gray industrial enamel finish

Optional Items Available

- Deeper top platform
 - Yellow finish or other
 - Top walk-off access with chain or gate
 - California OSHA compliant design
- See "Optional Items" page for more

Cantilever Ladder

Our most popular design is even better!

Standard Features

- 57 degree industrial slope
- 24" wide steps
- Individual locking casters only
- Counterbalance weight at base
- 300 lbs load rating
- 1" square steel construction
- 30" handrails if equipped
- Gray industrial enamel finish

Optional Items Available

- 500 lbs load rating HEAVY DUTY
 - Deeper top platform
 - Yellow finish or other
 - Top walk-off access with chain or gate
 - California OSHA compliant design
- See "Optional Items" page for more

* Shown with optional Yellow Finish

Maintenance Platform

Standard Features

- 57 degree industrial slope
- 24" wide step standard
- Tilt & Roll design on 5" rigid casters
- Non-marring rubber tips at stabilizing legs
- 21" deep top platform
- 300 lbs load rating
- 1" square steel construction
- 30" handrails
- Gray industrial enamel finish

Optional Items Available

- 500 lbs load rating HEAVY DUTY
 - Deeper top platform
 - Yellow finish or other
 - California OSHA compliant design
- See "Optional Items" page for more

Top Access Safety Chain

Ladders are structurally redesigned to not require a horizontal stabilizing bar. This allows a chain to be unhooked for easy access off and on the platform.

Item #	Steps	Platform Height	Platform Width	Platform Depth	Overall Height	Base W x D	Weight
TMP4SH30	4	40"	24"	21"	70"	32" x 41"	63 lbs

TMP7SH30	7	70"	24"	21"	100"	32" x 62"	101 lbs

Double-Entry Platform

Standard Features

- 57 degree industrial slope
- 24" and 36" wide serrated treads
- "Lock-Safe" activated casters on both ends
- Non-marring rubber tips at stabilizing legs
- 500 lbs load rating
- 1" square steel construction
- 30" handrails on one side
- Gray industrial enamel finish

Optional Items Available

- 500-1000 lbs load rating HEAVY DUTY
 - Larger top platform size
 - Yellow finish or other
 - California OSHA compliant design
- See "Optional Items" page for more
